#### **Product Description**

# **MOTI PLAY Vape - Premium Modular Vaping Device** with Advanced Features for an Unmatched **Luxurious Vaping Experience**

#### **Product Overview**

The MOTI PLAY vape is a state-of-the-art, premium vaping device meticulously engineered to provide an unparalleled luxurious vaping experience. It is equipped with a suite of advanced features, including a powerful battery, adjustable power settings, and a user-friendly interface, all housed within an elegant and ergonomic design. The MOTI PLAY vape delivers rich flavor and thick vapor, making every vaping session a truly enjoyable and satisfying experience.

# **Key Features**

**Powerful Endurance**: Equipped with a 900mAh large capacity battery, it provides a long-lasting vaping experience, reducing the hassle of frequent charging.

**Wide Range Power Adjustment**: Adjustable power range from 5-30W to meet the personalized needs of different users, easily adjusting for both light and rich flavors.

**Clear Display Screen**: A 0.96-inch OLED large screen clearly displays device status, including power, voltage, and puff counts, making operation intuitive and convenient.

Large Capacity Pod: A 2ml pod capacity reduces the frequency of pod changes, allowing for a more enduring vaping experience.

**Advanced Vaporization Technology**: Utilizing advanced mesh coil technology, it offers a more delicate and richer flavor experience.

**Multi-Level Safety Protection**: Built-in multiple safety protection measures, including short-circuit protection, low voltage protection, and 10-second auto shut-off, ensure safe usage.

**Compact Design**: Made with zinc alloy material, the device is compact and lightweight, easy to carry, and suitable for use anytime, anywhere.

Stylish Appearance: Available in a variety of color options to meet the personalized aesthetic needs of different users

## **Specifications**

Battery: 900mAh	Power: 5-30W Variable	Display: 0.96" OLED
Capacity: 2ml Pods	Coil: Mesh Coil Tech	Safety: Multi-Protection

### **Packaging Details**

	Individual Unit	Small Box	Master Ca
Dimensions	128 x 22.1 x 65.8 mm	99 x 157 x 63 mm	270 x 240 x 3
Weight	102.89 g	990.8 g	20.82 kį
Quantity	1 PC/PACK	10 PCS/PACK	400 PCS/E

## Why Choose Us

By selecting the MOTI PLAY vape, you are making a commitment to quality, innovation, and reliability in your vaping journey. Our manufacturing process is highly automated and stringent, ensuring that each device meets the highest quality standards for a vaping experience that is both consistent and delightful. The modular design of the MOTI PLAY vape also emphasizes environmental sustainability by promoting better battery recycling practices and reducing ecological impact. With the MOTI PLAY vape, you can enjoy a luxurious vaping experience while also making a responsible choice for the environment.
